BLOCK 14 – DESCRIPTION OF MODIFICATION (CONTINUED)

- A. The Coast Guard issued a Request for Proposal (RFP) and partial Direction to Proceed (DTP) on 27 August 2007, USCG letter 068-R0160, for the effort associated with ECP-030 entitled, "PRO Facilities." A full DTP was issued on 26 October 2007 via e-mail. MMC's proposal was received on 8 October 2008. For equity considerations, this Modification sets forth an interim ECP value for the effort described therein, so that progress payments may be made for the work effort of ECP-030. It is the Government's intent to adjust the value of CLIN 1010 upon completion of negotiations, thereby establishing a final ECP price. Modification A00014 incorporated the change language associated with ECP-030.
- B. The Coast Guard issued a Request for Proposal (RFP) and Direction to Proceed (DTP) on 23 June 2008, USCG letter 068-R0603, for the effort associated with ECP-041 entitled, "Second PRO Facilities." An increase to the Not-to-Exceed (NTE) value from \$15,000 to \$160,000 was issued on 25 July 2008, USCG letter 068-R0646. MMC's proposal was received on 22 September 2008. For equity considerations, this Modification sets forth an interim ECP value for the effort described therein, so that progress payments may be made for the work effort of ECP-041. It is the Government's intent to adjust the value of CLIN 1010 upon completion of negotiations, thereby establishing a final ECP price. This Modification officially incorporates the change language associated with ECP-041 into the Statement of Work.
- C. PART I – THE SCHEDULE, SECTION B - SUPPLIES OR SERVICES AND PRICES
Section B.1.1.b entitled, "Firm Fixed Price Items" CLIN 1010 is changed by \$240,000 from \$40,339 to \$280,339. \$120,000 is to provide an interim funding value for ECP-030 and \$120,000 is to provide an interim funding value for ECP-041.
- D. PART III, LIST OF DOCUMENTS, EXHIBITS AND OTHER ATTACHMENTS, SECTION J, ATTACHMENT 1 - STATEMENT OF WORK:
Add sections 087-2.3 through 087-2.3.32 to the Statement of Work (SOW) under 087-2 entitled, "Project Resident Office (PRO) at any Additional Production Line.
- E. This Modification does not obligate Government funds. The change in Contract effort associated with this Modification will be awarded by forthcoming Delivery Orders.
- F. All other Contract requirements remain unchanged.
- G. This completes block 14.

shipments until collected by a Coast Guard PRO representative. Provide forklift service to transport large packages to the PRO facilities. Provide, during working hours on a not-to-interfere basis, approximately 5 additional hours of forklift service per month for Coast Guard use.

087-1.4.6 [Orig] Maintenance. Maintain all contractor-provided spaces and equipment in operating condition, including copy machine and facsimile machine maintenance and toner cartridge renewals. Provide a program for PRO personnel to report and follow up on needed maintenance. Unscheduled copy machine and facsimile machine repairs shall be initiated within four hours of contractor notification.

087-1.4.7 [Orig] Inspection. The contractor shall periodically conduct jointly with the Coast Guard a material inspection of the PRO facilities to afford the contractor, as landlord, an opportunity to ensure the Coast Guard is being a good steward of the facilities, and to review and identify any maintenance discrepancies that need attention. The first inspection shall take place within seven days of the date the Coast Guard occupies the non-temporary facilities. Subsequent inspections shall occur at the request of either the contractor or the Coast Guard, but not more frequently than monthly or less frequently than annually. Discrepancies found during these inspections shall be corrected within 14 days.

087-2 [A00014] Project Resident Office (PRO) at any Additional Production Line

087-2.1 [A00014] General.

087-2.2 [A00014] If the contractor has more than one production line, for each production line separated by more than 10 miles from the first production line, the Contractor shall provide and maintain facilities to accommodate approximately fifteen personnel, including military, Government civilian, and contracted support personnel. PRO personnel shall have access to the facilities twenty-four hours per day, seven days per week. Contractor personnel shall not have access to PRO facilities without Coast Guard approval.

087-2.3 [A00022] Requirements

087-2.3.1 [A00022] Electric power shall be installed in accordance with NFPA 70.

087-2.3.2 [A00022] All data/phone drops shall be run to a RJ-45 patch panel located in the telecommunications closet identified in paragraph 087-2.3.24.2.

087-2.3.3 [A00022] Cabling shall be a minimum of Category 6 (speed rated at 1000 Mbps) and installed in accordance with BICSI Standards.

087-2.3.4 [A00022] Carpeting, where required, shall be new.

087-2.3.5 [A00022] Equipment and amenities shall be new or cleaned and refurbished to like-new condition.

087-2.3.6 [A00022] Permanent walls shall be freshly painted prior to occupancy or have wall coverings such as paneling or wallpaper.

087-2.3.7 [A00022] All spaces shall have sufficient overhead lighting for the intended use.

- 087-2.3.8 [A00022] All spaces shall meet NFPA 101 requirements specifically regarding fire safety including: smoke detectors, portable fire extinguishers, egress, and emergency lighting.**
